

Good morning Craig,

I just wanted to comment on your service so far. You delivered the product sooner than we expected (given the storm I was expecting a Wednesday delivery) and the gentleman who delivered and installed the printer was great. He was friendly, quick and knowledgeable. Thoroughly impressed so far.

Thanks!

Sincerely,

Karen F – Saskatoon

Hi Craig,

All is well the machines seem to work great so far and Joe was even excited this morning to show me some stuff he printed in colour LOL!!! Thank you soooo much for making this transition easy peasy!!!

Cheers,

Jennifer – Saskatoon
